

FAQ:

What if I can't make any of the choreography sessions?

If you are unable to attend the choreography sessions due to other school activities or prior commitments, you may want to consider joining the dance club instead. The dance team requires a considerable amount of your time before, during, and after school. The dance club will allow for more flexibility so that you are still able to do the other things you love!

I can't make any of the audition times...what do I do?

If you absolutely cannot attend your audition time, you are expected to attend one of the other grade's audition times.

Will I have to dance by myself?

No, at the audition you will be dancing with a group of at least 3 people. Please keep in mind however, that you will be performing with your group in front of all who are in attendance at the audition.

Do I have to choreograph my own dance?

No, you do not have to choreograph your own dance. The routine in which you will audition with will be taught to you at the choreography session.

Do the grade 6/7/8 auditions identify which team I will be on?

No, you will be placed on the team we feel is best suited to your demonstrated ability.
